Dear Parents/Guardians

Your child is eligible to receive supplemental services through the Title I program at our school. The Title I program supplements and supports the instruction that your child is receiving in the regular classroom. Title I uses research-based programs that teach fundamental reading skills.

A DIBELS (Dynamic Indicators of Basic Early Literacy Skills) Benchmark Assessment was given to your child in September. If your child did not meet a grade level benchmark on these tests, he/she qualified for Title I supplemental services.

This program involves your child working with a trained adult in a small group setting. They will be working on targeted skills to help improve reading.

Please let your child's teacher or Jennifer Mortensen the Title I teacher know if you have any questions.

Thank You!

Please cut and return the bottom portion.

Student _____

Yes, I would like my student to receive extra help through the Title I program as outlined above.

No, I would not like my student to participate in the Title I program and receive these services.
