

2018 – 19 Land Trust Amendment Expenditures:

1) The Burst program is used extensively for reading intervention, reading progress monitoring, and DIBELS assessments. They need **6 iPads at \$329** each for a total of \$1974.

2) The Learning Ally program is something we use to assist slower readers read and listen to peer level books. This program uses iPods so books can be read and listened to at the same time. The iPods are locked so that ONLY Learning Ally can be used. It is a wonderful way for struggling readers to hear books read to them as they read the words. We would like to add 25 more iPods so more students can have this successful opportunity. **25 iPods at \$199** each for a total of \$4975 plus a **charge and sync station for the additional iPods at \$1750.** (Total Apple \$8699)

3) I would also like to propose some STEM items to improve that area of discovery

. ***Sphero SPRK+** robot balls. Students can learn to code these to follow their directions. **10 each at \$129** for a total of \$1290.

*Makey-Makey is a programmable board that can perform many real-life functions with everyday materials. **10 each Makey-Makey + kit bag at \$65** for a total of \$650.

*Squishy Circuits is a STEM kit that uses a dough to form circuits. It is great for younger students and easy to use. **2 each Group Kits (10 devices in each kit) \$274.99 for a total of \$549.98 + 5 each Deluxe Kits at \$74.95 each for a total of \$374.75. All Squishy Circuits total \$924.73.**

***Generation Genius** is an online science video collection with teacher resources designed for schools. **2-year subscription is \$990.** Total Expenditures = \$12,554

Item	REQ#	Qty	\$ each	\$ Total	Order date	Rec Date
iPads (Apple)	#5342	6	\$329	\$1974	04/09/19	
iPods (Apple)	#5342	25	\$199	\$4975	04/09/19
